

flyingtigers photography terms of sale

Images

All images are the copyright of Flying Tigers Studio but may be subject to further restrictions on use. Not all photos are available for purchase and may have restricted use or circulation. Only photos taken as specific assignments will be available for purchase.

EXCLUSIVE RIGHTS This means you buy the image and the current and future rights for publication and distribution. Flying Tigers relinquishes all rights to the image and will delete it from its catalogue. You will have the only copy although Flying Tigers will retain it within its own private catalogue. Not all images are available for exclusive purchase.

NON-EXCLUSIVE RIGHTS This means that you buy a copy of the image for your own use. **Publication of an image sold as non-exclusive is prohibited.** Flying Tigers retains the rights to publish or sell the image to another party. Not all images are available for purchase.

An image purchased with exclusive rights may have already been sold with non-exclusive rights. This is unavoidable.
